Making Spirits Bright \* Giving Hope Tonight

September 1, 2018

Dear Friends,

Want to make a difference in the lives of kids in our community? The Winter Wonderland Gala is looking for your help to secure sponsors and auction items for our 2<sup>nd</sup> annual black-tie gala with all proceeds benefiting Young Life.

Young Life doesn't wait for kids to clean up, grow up or show up. Young Life goes to them, crossing barriers to build bridges of authentic friendship. We enter their world with no expectation of who kids should be, but with every hope for who they can become. Young Life is a world-class organization for adolescents. Our staff and volunteers enter the world of kids, focusing on what matters to them — fun, adventure, friendship and a sense of significance. Young Life believes every kid deserves this opportunity, with programs specifically designed for high school, middle school, teen moms and kids with special needs.

The Winter Wonderland Gala is certain to be a night to remember, complete with champagne reception, seated dinner, live entertainment and both a live and silent auction. The 2018 Winter Wonderland Gala will be held on Saturday, December 1, 2018 at Hidden Pines Chapel in Highland Village.

The success of The Winter Wonderland Gala would not be possible without the generosity of donors. Attached you will find sponsorship opportunities. You do not want to miss the chance to have your company featured at our Winter Wonderland Gala which will not only impact kids in our community, but your investment will set apart your company as one that is committed to making a difference in your community.

All donations are tax deductible. Young Life is locally funded, dependent on the financial support of businesses, families and caring individuals in our community.

As a former Young Life kid and staff associate, current donor and father of three daughters, I support Young Life because I have experienced firsthand their tireless approach to reaching kids. Without Young Life, I would not have found faith in my own life. I believe that our community can be greatly impacted by the influence of Young Life. Thank you for partnering with us to make our Gala exceptional and give Young Life the opportunity to reach even more kids in our community. Together, we can make a difference in the lives of kids in our community.

Cheers to a great night!
